Introduction : Rashtriya Sanskrit Vidyapeetha, a University established under section 3 of the U.G.C. Act, 1956 is a premier institution in the field of higher learning in Sanskrit studies, Traditional Sastras and Pedagogy. It is funded by the Ministry of Human Resource Development through UGC. The University has a long history in the service of Sanskrit education.

The University was established at Tirupati(A.P.) in 1961 by the Govt. of India on the recommendations of the Central Sanskrit Commission as an autonomous body under the name of **Kendriya Sanskrit Vidyapeetha, Tirupati society**. Dr. S. Radhakrishnan, the then Vice President of India laid the foundation stone of the University on 4th January 1962. The basic objective of setting up the University is to impart and improve Sanskrit pedagogy, to accelerate the pace of higher Sanskrit learning and to combine the traditional Sanskrit education with modern scientific research.

Later, Kendriya Sanskrit Vidyapeetha, Tirupati came under the administrative control of Rashtriya Sanskrit Sansthan, an autonomous body under the Ministry of Education in April 1971. **In the year 1987, the University was declared as a Deemed to be University by the Government of India**, considering its service to the cause of Sanskrit Education, its achievements in research and publications and the general progress it had made in the past 25 years. It was formally inaugurated by the then President of India Sri R. Venkatraman on 26th of August 1989. Considering its achievements and potential for research in Traditional Sastras, the University was given the status of **Centre of Excellence in Traditional Sastras** during the X Plan and XI Plan period as well.

The University campus is adjacent to SVIMS (Sri Venkateswara Institute of Medical Sciences) ; and is at a distance of 4 k.m. from the Railway Station and APSRTC Bus station. It can be approached through either the Reservoir Road or Balaji Colony.

The emblem comprises a circle, a rectangular base, two lamps on either side, a bunch of palm leaves, the petals of a lotus, each of which are of immense significance. Besides, it includes the rays of the Sun which are considered to represent perennial source of creative thoughts.
